Academic Orientation

Dear Parents

We, The Fluorescent School, believe in bringing out the best in our children by providing them learning on variety of topics, along with academics.

With the sole purpose of bringing the two indispensable factors in the learning process of a child i.e. the parent and teachers, closure to one another, discussing and sharing the facts.

By observing these factors the school is organizing the orientation programme for the parents which will include healthy parenting school academic system and other related presentation.

It gives us immense pleasure to invite you to the aforesaid programme on Sunday 23rd December 2018 at 01:30 pm for class IX to XII in the school premises.

I would be happy to share my international experience at Henan University of Science Technology, China with all of my parents.

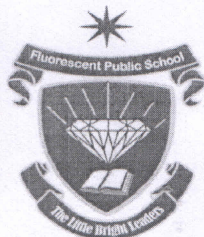

Looking forward for a fruitful interaction.

With Regards

Prof. (Dr). Ashutosh Pant
