Dear Parent,

Greetings from the Principal's desk!!!

All of us are facing the lockdown's hardship in our lives caused due to Covid -19 pandemic. Whole human race is drastically affected by this. People of low income group are the major sufferers who are facing double challenge of fighting with Pandemic & with their hunger. Most of us are trying to help the community in our own way. As a part of our social responsibility OIA family too has contributed their one day salary to help the needy ones. I hope that with the grace of God we will unitedly overcome this problem.

I want to bring your kind attention on certain issues:

Firstly, I would like to **thank all parents** for their support & interest of being part of online classes for their ward/s. Our teachers are working day in day out providing the important content to the students through on line classes & what's App group keeping the situation in the mind that would help children to get in touch with their studies. We are obliged to all parents, their children and teachers working consistently in the tough time. This teaching learning process will continue online till any further guidelines issued by the government.

Secondly, keeping your financial state due to Pandemic COVID 19, the **OIA management has decided the following exemption and the guidelines of fee:**

1. As a sign of solidarity with the suffering humanity, school has decided to defer the payments of 1st quarter fee i.e., April, May and June 2020.
2. There is no compulsion to pay right away.
3. The parent who are in a state of paying the fee right now may use the online option as per the detail given below:

BANK : CENTRAL BANK OF INDIA
A/C HOLDER : OXFORD INTERNATIONAL ACADEMY
A/C No. : 3074292155
IFSC CODE : CBIN0283251

4. Other parent will pay the first quarter fees once the lockdown situation gets over without any late fee charges.
5. Monthly fee payment option is also available.
6. Children availing school transport their transportation fees is waived off till the lockdown continues.
7. For any further query regarding fee payment feel free to contact **Mr. Ashok Kumar Verma (9001908276)**

Dear Parents, It's a humble request that management has to pay salaries to the teachers & other staff of the school during the lockdown period. We would highly encourage all those who can pay the fee right now that would lighten our financial burden.

For any further information we will be in touch with you through messages on school App or your ward's class What's App group.

Management of OIA wants to assure you that we are aware about the difficult situations faced by everyone and we stand by with our stakeholders.

I wish everyone good health. STAY HOME & STAY SAFE.

With Warm Regards

Sumita P Minhas
