To,

The All Principal/Dean/Registrar

Subject:-Guidance for correspondence through proper channel-reg.

Sir/Madam,

It has been observed that many students are approaching directly to the National Commission for Homoeopathy, related to NOC/Correspondence/Permissions etc. In this regard, correspondence, NOC request should compulsory be routed through the Principal/Dean/Registrar of the concerned Colleges/ University i.e. through proper channel.

The Principal and Registrar must be certain that the issues related to students are forwarded in timely manner to the National Commission for Homoeopathy without delay.

Therefore, you are requested to issue a circular in your College/ University Notice Board for the guidance of the students in this regard.

Yours faithfully,

(Dr. Tarkeshwar Jain) 21/10
