Mission & Vision:

Mission—

The motto, of our school “Making Your Child’s World Better “speaks of its emphasis on devotion, wisdom and commitment to hard work for making your child’s world better. . Our Endeavour is to impart education which looks beyond the frontiers of formal education. It is, in fact, a preparation for life- long learning.

El’WOOD International School will provide a complete and unique educational experience for the child, preparing him / her for a successful life in the contemporary society. Our mission is to provide our children with the very best educational opportunities and build a sense of belonging and connectedness within the local community.

VISION –

The vision of El’wood International School envisages

- To provide the highest quality of education in a safe, secure and nurturing environment to help our students develop into progressive thinkers and lifelong bearers of skills that will prepare them for the challenges of a dynamically changing world..
- To provide holistic education that seeks to realize every student’s potential and enriches the community around it.
- To create an excellent educational institution synthesizing the human values with the highest quality of teaching–learning using modern technology-driven tools for preparing a well-rounded personality for our society.
- Our aim at the El’wood International School is to provide a safe and nurturing community where diversity is celebrated, mutual respect among adults and children is practiced, and where parents are seen as valued partners in layering the foundation of life-long learning.

PHILOSOPHY:

The El’wood International School believe that schools must be vibrant centers of learning. Which is why education is not limited to academic excellence, but also extends to life enriching fields like music and sport .The philosophy of the school proclaims itself in the belief ‘Making Your child’s world better “. We ensure that the curriculum encompasses student’s abilities, needs and inherent potential.

El’wood International School offers

- Balanced curriculum that incorporates arts, self-awareness, communication and physical education along with regular studies
- State-of-the art infrastructure facilities, which are built to favour the harmonious growth of a young mind across several disciplines.

We ensure that every child is equipped to develop his strengths and latent potential to match global levels.
