CBSE Affiliated / English Medium School  
Class Nursery to XII (Science | Commerce | Arts)

prospectus

## Vision & Mission

## VISION

The school envisions the complete development of children capabilities of head, heart, and hand in order to ensure growth of integrated personality and national character with sense of duty and service to the society like :

- Striving for excellence in every domain of growth of the students.
- Excelling at cognitive, emotional and behavioral development of the students.
- Strengthening the traditional roots and at the same time adopting a modern way of living.
- Developing sensitivity of our students towards environment, humanity and compassion.
- Investing in resources that lead to achievement of objectives and realizing our vision.
- Working towards academic and co-curricular excellence.

## MISSION

SKCS is fully committed to inculcate in young minds a sense of self-respect, pride, love and dedication for the nation. The school aims at the complete development of children's capabilities of head, heart and hand in order to ensure growth of an integrated personality and national character with sense of duty and service to the society. We intend to-

- Achieve all-round development of every child, ensuring academic, sports and cultural excellence
- Coach and mentor every student by expert and experienced staff.
- Spread patriotic, social and ethical human values amongst the students.
- Educate students to build confidence and self-reliance.
- Enhance the students' ability of discretion between right and wrong.
- Create a learning community and nurturing the students by the participation of parents.
- Create a legacy of educators for long lasting impact.

## CHAIRMAN'S MESSAGE

Nestled in the desert sands of the Shekhawati Region in Rajasthan. The S.K.N. SHIKSHAN SANSTHAN is an oasis which unfolds its treasure to a fabulous world of knowledge. I hope this prospectus will give prospective parents and students a flavour of what S.K.N. SHIKSHAN SANSTHAN is all about. Institution has the entire infrastructure and facilities that make a fully fledged group of institutions where morality discipline & quality education reign. All of these are being maintained and updated on regular basis. All the institutions are very serious for quality education. Students of nearly 10 states are acquiring education over here. The other institutions of Keshwanand Educational Group are Swami Keshwanand Nursing Institute, which has set a mile stone in era of medical & nursing education, Swami Keshwanand College of arts & science, Swami Keshwanand Sr.Sec.School(RBSE), Swami Keshwanand Sr.Sec.School(CBSE), Swami Keshwanand Polytechnic Institute, Swami Keshwanand Defense Academy which has given many army & police Officers & soldiers in a very short period under the aegis of Swami Keshwanand Shikshan Sansthan.

It is important to prepare the children before sending them to a Boarding School/College. The child should be convinced about the usefulness of Boarding School Life. In my opinion a residential School/College/institute has many advantages. It inculcates in children an attitude of 'Caring and Sharing' and a sense of independent living, decision making and value for money. It teaches them the art of self learning and self preparation for the examinations. The child learns to live a Spartan life which makes him tough enabling him to progress without being a slave to materialistic comforts. Living together with other children creates a feeling of brotherhood and helps to develop leadership qualities. The hectic schedule involving both academics and co-curricular activities keeps him pre occupied in a constructive manner. In fact at times, it is felt that there is so much to do, with no time at all. Thus it teaches him Time Management early in life.

SKNIE is committed to producing gentlemen who can be of service and value to society and shape as leaders of our great nation and who can be the true epitome of our motto Shradha, Gyan Sanyam and Sewa.

Ram Niwas Dhaka  
Chairman  
S.K.N. Shikshan Sansthan

## PRINCIPAL'S MESSAGE

**I**t is my honor and privilege to be Principal of Swami Keshwanand Convent School, the school that stands for excellence and continuously sets the highest standards, that is an alma mater, in which all alumni look back to with fond memories, the school that has given this country many distinguished personalities and leaders in diverse fields.

The education department is not new to me. I have been working in this Department for the last 18 years. This period has been a journey of great learning for me. Importance of education in the life of an individual cannot be overstated. It shapes individuals in their formative years and imbues them with values that would govern all their choices in life. It is said, "If you are planning for a decade, plant trees; if you're planning for a lifetime, educate people." Indeed, one can even say that the quality of education will determine the destiny of a nation. For me, education does not mean providing answers. It means equipping the pupil with the means to find the answers for himself and within himself. Education empowers students to discover themselves- who they are as people. Within each student there is a doctor, an engineer, a teacher, a social activist, a sports person, an environmentalist, a poet, an author or an economist or chartered accountants. The teachers support them in channelizing resources vis-à-vis dreams thus; sustainably generating civilized and productive human capital for serving our motherland, with Swami Keshwanand Convent School's motto "service before self."

Chandra Shekhar Mishra  
Principal  
Swami Keshwanand Convent School

## Top CBSE School in Rajasthan

SWAMI KESHWANAND CONVENT SCHOOL... SKCS...

### About us...

**SKCS** is named after a great Saint 'SWAMI KESHWANAND.' & It is promoted and managed by S.K.N. SHIKSHAN SANSTHAN with the mission to provide quality education at school level. The school has affiliated to CBSE, New Delhi (Aff.No-1730577) . The school is situated on N.H 11 near village Bhadhadar. The school is at a distance of 115 Km from Jaipur and 11 km from Sikar. We are a co-educational day cum residential school with focus on all-round and holistic development of the students. We aim at creating responsible future citizens of India, who can excel in different careers as successful leaders of their respective fields and torchbearers of modern India with universal values. With the vast area of campus we offer a serene, safe and secure learning environment to the students. A team of enthusiastic and experienced teachers creates an impact on young & teenage learners that goes beyond the classroom. The school campus houses a newly/well constructed spacious building, a multipurpose playground in the lush green surroundings, well-stocked library with remarkable collection, and labs for science (Physics, Chemistry Biology & Maths) stream and computer center. The school campus has a splendid architectural beauty designed by expert architect using special earth quake resistance device. School comprises ultra modern infrastructure in a lush green campus in the lap of nature far from noisy and polluted environment. A trend setter in the area, the institution tells the story of success through its students performing brilliantly in various fields like B.Sc Nursing, Engineering like Polytechnic & ITI, RBSE School (Hindi & English Medium), PG College and other degree courses, Defance Academy and many professional courses. We aim to reach the highest standards of educational delivery. Our school endeavors to go beyond just the intellectual growth. We believe in shaping up the career of the students and nurture ethical awareness and other good qualities to our students.

## CAMPUS

The campus is situated around the linking and connecting road network. We have used the principles of designs while working on the planning the space. The campus is equipped to take good care of both day scholars as well as residential students. With the vast area of sprawling campus, equipped with modern facilities and amenities, we make every effort to make the learning experience at the school enjoyable and comfortable. Aesthetically designed campus elevates the joy of learning. Students find a lot of convenience in our integrated campus.

छात्रा सुनीता महारिया  
**11<sup>th</sup>** राज्यस्तरीय मैरिट  
एवं **2<sup>nd</sup>** जिला मैरिट  
प्राप्तकर पुरस्कृत होती हुई

## CLASS ROOMS

There are more than 50 airy and well ventilated classrooms with round the clock power back up . All the classrooms are with an ideal ratio of teacher: students 1:30 with world class furniture and digital class rooms. Each building block has a number of water coolers and other facilities like toilets etc.

## LIBRARY

We believe that library is not just a place of collection of books; it is a learning center. This belief is behind the classification and collection of books. We believe that 'reading still most efficient way of learning' and offer a wide range of books on different subjects to our students. Our collection of library spans over all the categories of reading materials. Students can find books, newspapers, periodicals and competitive magazines (with different categories). Our library is classified and catalogued which enables students to access the information very fast with accuracy.

## COMPUTER LAB

In the networked world, we appreciate the role of computers in broadening the horizon of thinking and learning. Our networked computers lab gives access to our students to explore the world beyond the boundaries and learn through various open sources. Early exposure and learning about computers help our students to stay ahead of the other participants in competitions.

Our computer lab is equipped with the latest technology and systems. Computer systems are adequately configured and powered with the latest Wi-fi technology. The computer lab is capable to deliver lab based sessions also.

## HOUSE

The school is divided into different houses namely Blue (Bhagat Singh House) Green (C.S.Ajad House) Red (Laxmi Bai House) Yellow (Subhas Chandra Bose House). House masters, house captains and prefects help in organizing inter

## SYSTEM

house activities comprising competitive activities of student's life in a very systematic way for all-round development of them. This house system develops a healthy competition among the school students.

## EXTRA CURRICULAR AND CO-CURRICULAR ACTIVITIES

We appreciate the importance of extracurricular and co-curricular activities. Debate competition, Essay writing, elocution and project based activities are regular features at the school. We undertake other cultural and sports activities also to sharpen various facets of our students' development. These activities have played a great role in shaping up the personality of the students. Many of the students have become aware about their latent skills and abilities through these activities.

We work with a structured way of designing these activities. The activities are planned in advance as a part of the yearly calendars. Students are encouraged to participate in these activities.

## MUSIC & DANCE CLASSES

Regular music & dance classes are given to students by the music & dance teachers. Students are having regular periods for these classes. Singing & dancing competitions are conducted at school level. Students enjoy these competitions & take full interest in them.

## WORKSHOPS

The school management organizes workshops, seminars, debates, English orientation programmes and other educational exchange programmes to keep all the teachers abreast with the latest methods of teaching with updated knowledge.

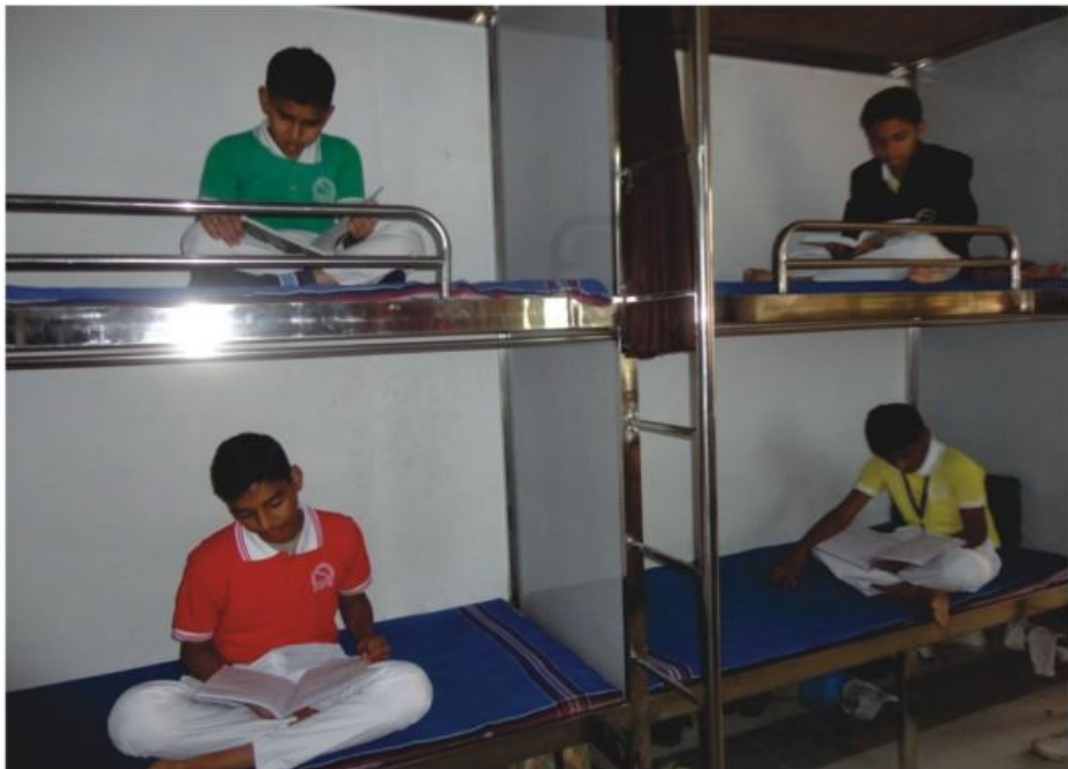

## HOSTEL

The hostels with air cooled facility have been designed as a place for students to live and learn to adjust to the educational demands, while encouraging them to develop a healthy social network. Each hostel is under the care of a resident lady/gent warden (as per requirements) who maintains the academic, medical and personal progress of her/his wards. She/he also acts as an able counselor, guide and administrator.

- Spacious and well-furnished
- Equipped with all modern amenities and conveniences.
- 24 hours hot and cold water supply
- Air Cooled rooms for hostellers.
- Uninterrupted power supply
- Large common rooms with audio-visual facilities periodicals etc.
- Remain protected under strict security.

## MESS

Mess With a wide array of menu and healthy as well as hygienic food, SKCS mess facilities take care of food and nutritional needs of the students. We appreciate the fact that food is one of the sources of energy and its importance in mental and physical abilities of the students.

A healthy mind stays in a healthy body and further a healthy body is built with healthy food. So our mess provides a healthy, hygienic and tasty food. We understand the importance of food as one of the sources of power and work towards that in shaping up the development of the students.

## TRANSPORTATION

The transport facilities of SKCS commuting the students with reliable and safe transportation services. We offer transportation facilities to our students for day scholars as well as for residential students with more than 45 buses. The school provides fully well conditioned and GPS activated transport system to more than 50 km. around the institute. This facility takes away parents' concerns and worries about the commuting needs of the students. It is safe, secure and convenient.

## CAFETERIA

School has made a good arrangement of cafeteria for students, teachers & other out comers. It provides hygienic refreshment items to all the users of this facility. Students & teachers enjoy in their free time here. This free time gives them opportunity to discuss about their subjects, carrier & preparation for further periods /classes.

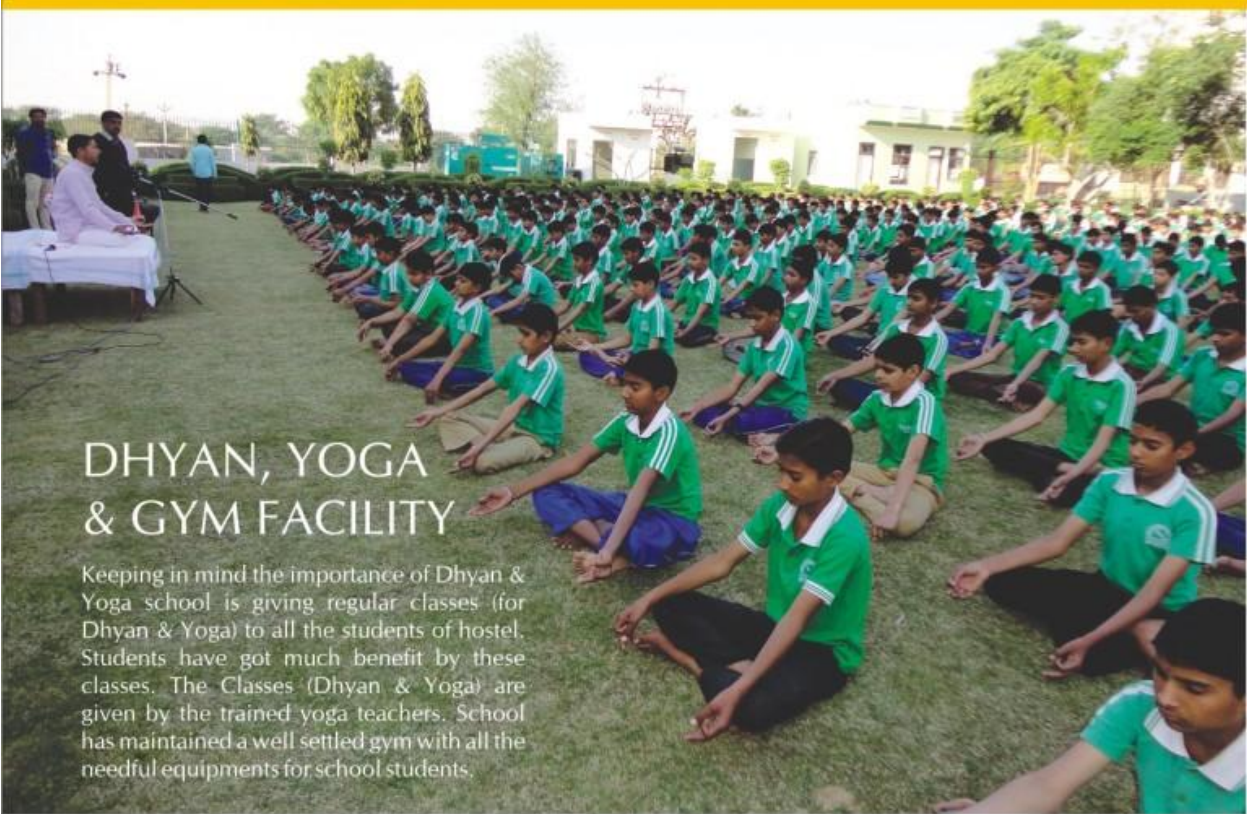

## SPORTS AND GAMES

Along with study and academic regime we encourage our students to develop special interests in sports. We extend facilities and coaching for various sports and games. Facilities include the ground, gears and also expert services for different sports and games. Sports and games; both indoor and outdoor are not only for recreation but also to build character and personality. They improve concentration and also develop some skills like team building, perseverance and leadership. Our school possesses necessary equipment & facilities for all the sports and games. We provide a wide array of indoor as well as outdoor, court based games and also sports kits and equipments. Our endeavor is to facilitate different types of sports facilities.

## DHYAN, YOGA & GYM FACILITY

Keeping in mind the importance of Dhyan & Yoga school is giving regular classes (for Dhyan & Yoga) to all the students of hostel. Students have got much benefit by these classes. The Classes (Dhyan & Yoga) are given by the trained yoga teachers. School has maintained a well settled gym with all the needful equipments for school students.

## MODERN HI TECH SCIENCE LABS

For the science and practical subjects, our science labs contribute to augment the learning level of our students. Our modern hi-tech science laboratory facilities are at par with world class schools. We encourage students to learn from experiments and exercises.

Our school houses modern hi tech labs (Physics, Chemistry, Biology, Maths & English Language) for practical and experiments. These labs are equipped with necessary tools, systems, devices, learning material and infrastructure. We appreciate the importance of the science & English Language labs for a student and make every effort to enrich the learning experience inside the lab.

## ARTS

Besides studying the mainstream subjects, at SKCS we appreciate the fact that 'art is learnt through music, literature, painting and dancing contributes to the development of the students. Our school extends facilities to explore a wide range of choices in the field of arts.

We believe in multiple intelligence theory and provide every opportunity to explore our students' interest and talents. We appreciate the fact that people should develop multiple interests spanning over science and arts. We facilitate students' special interest in the areas of music, painting, dance and drama.
