

Malviya Convent School

(Affiliated to CBSE, New Delhi)

A Block, Malviya Nagar, Jaipur – 302017

Dear Parents,

Through this Letter, I take an opportunity to wish a Very Happy and Prosperous Times ahead to all of you in terms of Health, Wealth and Education sphere of your Child.

We are very pleased to share that Malviya Convent School has been entering into its 11th Year of Educational Excellence in Coming Session 2018-19. MCS has successfully completed its 10th Milestone in the Journey of providing quality education. I must take this as an opportunity to thank you all for placing trust and reliance in the School Policies, Vision and Systems. MCS is working under the parentage of Sanjeeta Shiksha Samiti which is working in the field of Education with its splendid works since 1967. By this way, it makes a 51st Year in the field of Education.

We look forward to working and learning with all of you throughout the coming school year. We are looking forward to an exciting year of learning, READING, and growing together. As we continue with our focus on literacy, we, along with parents and caregivers, will encourage children to set goals for reading that will help to develop a life-long habit and love for reading. Students need to read for a minimum of 20 minutes each day at home.

Our main goal is the academic development of each student. Our staff works hard to ensure that each child is given the necessary tools for lifelong learning in literacy, numeracy and critical and creative thinking. We encourage students to develop personal and social values and skills (character education). Our students are encouraged to become involved in a wide variety of educational experiences, both curricular and extra-curricular. A variety of after-school programs provide students an opportunity to participate in health promoting activities.

We believe that as we (the school, the home and community) collaborate and work together, we can ensure that each student will receive the best learning experiences possible and the confidence to be a lifelong learner. We look forward to an exciting year of learning as we embark on a new school year!
