**THINGS TO DO DURING VACATIONS**

- ☺ Read Hindi and English story books and children’s Science magazine.
- ☺ Write your experiences about the vacation and maintain a daily diary too.
- ☺ Practice English and Hindi handwriting.
- ☺ Plant a sapling and water it every day.
- ☺ Keep a bowl of water and grains on the roof for birds.
- ☺ Do your Summer Vacation Homework yourself.

**Note:** - Make a new notebook for Summer Holiday Homework. Notebook/File should be neat and clean and in a proper manner as we will add it’s grading to your report cards as all Internal Assessment.

**CRAFT**

**Walnut Shell Turtles (Family of Turtles)**

**Material required:** Some card stock, some white construction paper, markers, glue, scissors and googly eyes.

- Method:**
- Open your walnuts and cleaning out the nuts.
  - Place the shell on the card stock and draw a body, making 4 legs, a head and tail.
  - Trace the stencil on the construction paper.
  - Color the turtle bodies any colors you want.
  - When they are all colored, add glue to your shells. Pop the shells on the bodies.
  - Add glue for the eyes. Pop the eyes on. Let dry. Cut out when dry.
